Our Company (formerly known as MAE Engineering Ltd) wishes to announce the change of its name to

Lereno Bio-Chem Ltd.

(RCB Registration No. 197401961C)

by a special resolution passed at its Extraordinary General Meeting on 10 February 2007 to reflect the change in its main business focus to biofuel production and its related businesses.

- The Company has now brought to completion all approvals for acquiring and becoming the largest single shareholder (38%) of Lereno Sdn Bhd which is currently on schedule in completing a biodiesel production plant in Malaysia with its own proprietary patentable winterization technology.
- Steps will be taken by the Company to apply to the Singapore Exchange Securities Trading Limited for the "re-classification" of its listing from the "construction" sector.

The telephone number and address of the Company remain unchanged.
